North Dakota Association of Rural Electric Cooperatives **VISION, MISSION AND VALUES STATEMENT**

*Statewide's vision is an **indispensible network of member cooperatives** that enriches the lives of their consumers and the communities in which they live.*

OUR MISSION

- Advance the value of the member cooperative network in North Dakota.
- Create a positive legislative, regulatory and business climate in which our member systems can successfully and safely deliver services.
- Support the people who deliver the power of human connections to their consumers and the communities in which they live.
- Cultivate a shared vision among our member systems, committed to building the future of North Dakota.
- Add new wealth to the economy by creating, retaining and expanding rural cooperatives and other primary sector business enterprises.

OUR VALUES

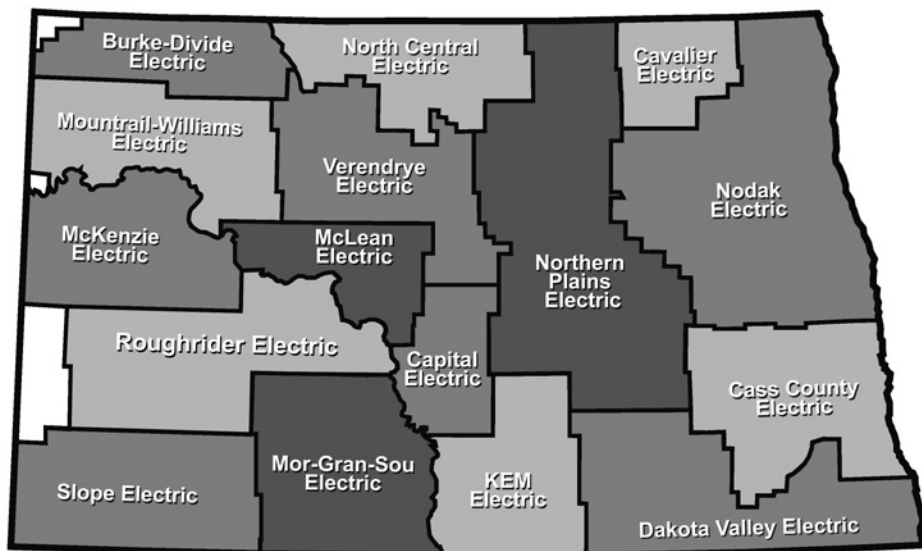

CHARACTER: The integrity of our association is built on our word and our actions — we do what we say.

EXCELLENCE: We do the right things, and we do those things right.

COOPERATION: We practice effective communication that builds unity, understanding and teamwork — all of which lead to shared success.

INNOVATION: We are a learning organization, constantly understanding, designing and delivering products and services that meet the changing needs of our members.

Transformer, LLC**

1000 Syndicate Street • Jordan, MN 55352 • 800-328-5894 • 952-492-2720 • Fax 952-492-2796

Jordan Transformer specializes in remanufacturing, rewinding and repairing Substation, Mobile, GSU, Auxiliary, Station Power, Start-Up, and Furnace transformers up to 200 MVA and 230 kV. We also manufacture entirely NEW Mobile Substations. Testing is conducted per ANSI/IEEE Standards including Impulse, Partial Discharge and Temperature Rise Tests. We offer full Field Service capabilities including turnkey projects, oil processing, new installations, gasket repair, LTC repair and more. We purchase used electrically good and failed transformers to be either remanufactured or reconditioned and subsequently resold.

GREEN RUNS DEEP

“Our foundation is based on family, character and values. These values play directly into our culture. It’s not something you can necessarily put into words. Being a Brother’s or Sister’s Keeper is more than a title. It’s a responsibility that everyone takes pride in. In our world, green runs deep.”

Division Manager Travis Platt · North Dakota Division Office · 612.360.6248

Vegetation Management · Storm Restoration · Work Planning
Since 1933. Employee Owned **1.800.882.1216** wrighttree.com

Need solutions for an intelligent grid?

Problem solved. From the start, our experts dig in to understand your needs and help strategically plan your next smart grid investment. Choosing Landis+Gyr ensures proven solutions that can grow with you—and a trusted partner who remains engaged in your success long after deployment.

- + Interoperable
 - + Proven
 - + Flexible
 - + Future Ready
-
- = Solutions for an Intelligent Grid

American Polywater

Lubricants, cleaners, sealants, and adhesives for the electrical telecom industries.

Champion Fiberglass

Complete line of fiberglass conduit, elbows, strut, and fittings.

Conduit Repair Systems – CRS

Split SCH 40 conduit, sweeps & couplings for electrical, CATV, & fiber optic cables.

Condux International, Inc.

Cable installation equipment & tools for power, telephone, fiber optics, and CATV.

Condux/Tesmec

Overhead tensioners, puller/tensioners, stringing blocks, and aerial accessories.

ETCO Specialty Products

Conduit plugs; static, transitional, and mechanical couplings, and fittings.

Glasforms

Fiberglass line markers, test stations and delineation markers.

Youngstown Glove Company

The very best in technical hand protection.

Lewis Mfg.

Cable pulling and support grips, swivels, and jobsite rubberized canvas tarps.

Multilink

Rack & wall mount fiber distribution products, MDU & OTN enclosures, and sno shoes.

New Basis

Below ground enclosures for telecom, electrical, and industrial applications.

Premax LLP

Metal pole-marking and asset management products.

PTI

Bucket truck liners, tool trays, holsters, covers, and other accessories.

Rauckman Utility Products

Bug wrenches, pole helmets, wildlife shields, cut out/snap on covers, and accessories.

Uruseal

Electrical and telecom splice protection, pedestal sealant, encapsulation products.

Warren Heim Corporation – Buzzline

Canvas tool bags, aerial tool holders, and bucket covers.

Quality Products for Utility & Outside Plant

Miles of Overhead Line: 3,306.01 miles
Total Meters Served: 5,200
Miles of Buried Cable: 680.82 miles
Board Meeting Date: 1st Tuesday after the 3rd Monday
Annual Meeting Date: June of every year
Date First Energized: April, 1950
Power Supplier: Basin Electric Power Cooperative and Western Area Power Administration

You demand quality.

That's where Wood Quality Control (WQC) comes in. Our program ensures customers receive high-quality treated wood utility products that will provide decades of reliable service, enabling co-ops to stretch construction and maintenance budgets.

The numbers
tell our story:

• **34** YEARS SERVING THE
UTILITY INDUSTRY

• **13,000,000+**

WQC CROSSARMS PRODUCED SINCE 1986

• **16,000,000+**

WQC POLES PRODUCED SINCE 1982

WOODQUALITYCONTROL.COM

Wood Quality Control, Inc.

Lexington, SC 29072
803.359.2218

**TREATED WOOD PRODUCTS
THAT OUTPERFORM THE REST**

Wood Quality Control, Inc. is a subsidiary of NRECA

Our Commitment to Electric Co-ops Starts at the Top

Guided by a board of your peers with the solitary goal of meeting the needs of the electric cooperative network, CFC understands the challenges you face because our leaders are all in the same business as you. That makes CFC different from all other financial institutions.

CFC District 6 Board Members Thomas L. Hayes, Director, Brown County Rural Electrical Association, Minnesota, and Bradley J. Schardin, General Manager, Southeastern Electric Cooperative, South Dakota.

CFC: Created and Owned by America's Electric Cooperative Network

Connect with us:

www.nrucfc.coop   

CFC is an equal opportunity provider and employer.

THE OKOGUARD ADVANTAGE

Introduced by Okonite, with over 50 years of service history -
Okoguard EPR cables have become the standard of
unequaled excellence in power cables.

Only Okoguard cables have the distinction in the industry to provide an all EPR insulation system, ensuring unmatched cable reliability for your underground infrastructure.

Okoguard's design, service history and uncompromising standards offer confidence in the lifetime performance of your underground cable.

Okonite - With over 139 years of specialized service to the electrical utility industry, is still the leader in innovation and technology.

OKOGUARD ADVANTAGES:

- ✓ SUPERIOR PERFORMANCE
- ✓ OUTSTANDING RELIABILITY
- ✓ MORE FLEXIBILITY
- ✓ ALL EPR INSULATION SYSTEM
- ✓ NO TREEING
- ✓ TRIPLE TANDEM EXTRUSION

COMPLIANT GRAPHICS FOR HARSH ENVIRONMENTS™

Compliance Monitoring Program

- **Assess** existing graphics for compliance to industry standards
- **Design** new compliant graphics to reduce potential risk and liability
- **Engineer** for durability
- **Installation** requirements based on NESC/ANSI Z535
- **Monitor** application standards and automatically update products as required

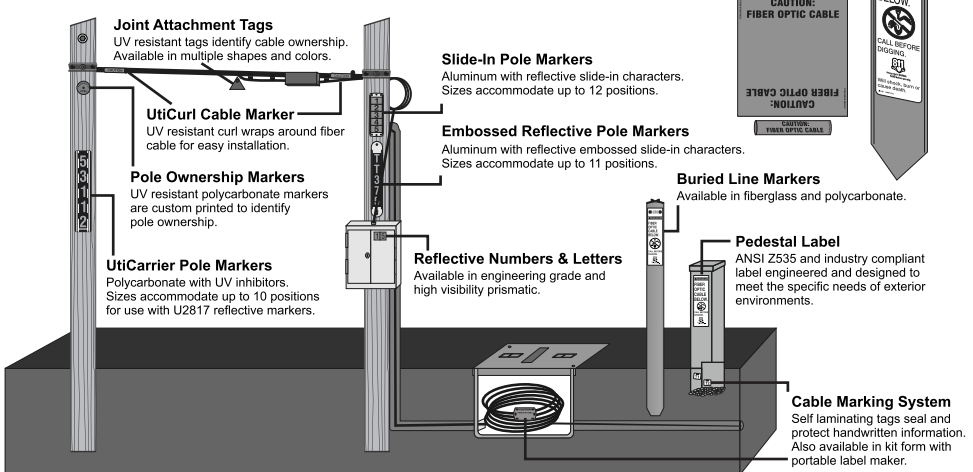

Request Real-Time Design

Designing your organization's graphics can be a time consuming task. By participating in a real-time design session with a Uticom Graphics & Compliance Specialist, you can watch and direct while we design a compliant product that meets your organization's site specific needs.

Durability

Uticom's engineering and manufacturing process combine to meet your specific environmental and organizational requirements. Uticom Systems, Inc. applies three times more ink than typical graphics which provides protection from fading. Most outdoor products are warranted for 20 years.

Visit www.uticom.net to schedule your Real-Time Design Session!

DONE RIGHT. DONE FAST.

E-LAM® engineered laminated wood utility structures are the ON TIME solution for your next project. Made from an abundant, renewable, domestic timber resource, they are not subject to shortages or surcharges.

Backed by over 25 years of engineering expertise, E-LAM® is the perfect choice for unguyed angle, dead end, and switch structures.

Co-op proven, Co-op preferred.

E-LAM®

About CoBank

CoBank is a national cooperative bank serving vital industries across rural America. The bank provides loans, leases, export financing and other financial services to agribusinesses and rural power, water and communications providers in all 50 states.

CoBank is a member of the Farm Credit System, a nationwide network of banks and retail lending associations chartered to support the borrowing needs of U.S. agriculture and the nation's rural economy. In addition to serving its direct retail borrowers, the bank also provides wholesale loans and other financial services to affiliated Farm Credit associations serving more than 75,000 farmers, ranchers and other rural borrowers in 23 states around the country.

Headquartered outside Denver, Colorado, CoBank serves customers from regional banking centers across the U.S. and also maintains an international representative office in Singapore. For more information about CoBank visit www.cobank.com.

Miscellaneous

CoBank holds nine regional customer meetings each year in locations across the country. Information about these meetings can be found at www.cobank.com/meetings.

THE FIRST STEP STARTS WITH FINLEY ENGINEERING

MOVE FORWARD WITH FINLEY.

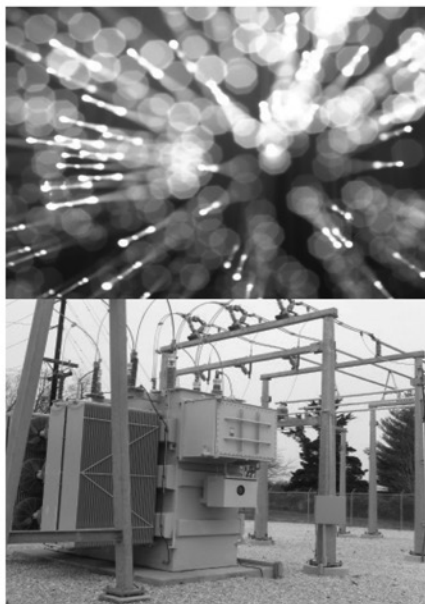

Finley engineers take pride in designing, engineering and overseeing broadband and energy projects that serve the needs of customers in the 21st century. You can rely on Finley for decades of multidisciplinary experience in electrical power systems and broadband networks to create connections that provide infinite opportunities for your community. As your partner, we understand how meaningful those connections can be and we are committed to making your project a success from initial development through launch.
